

Lewis Family Playhouse at Victoria Gardens Cultural Center Play Partner's Approval Process

The goal of our Play Partner Program is to accommodate as many underprivileged students as possible and to have tangible data to share with our funders.

How to Apply

Please fill out BOTH the application and the ticket reservation form. Partially completed applications will not be considered.

Timeline

Funding assistance is allocated on a first come first served basis. A limited amount of funding assistance is available per show. You will be notified within 2 weeks of submitting the application if you have been approved for Play Partner assistance.

Eligibility

Eligible schools can receive up to 250 tickets, total not to exceed \$2000 per year. A limited amount of bus funding is also available, max \$500 per performance.

Considerations

1. Title 1 Schools
2. Schools who have 50% or more reduced lunch program participants
3. Schools with minimal theatre arts curriculum
4. Schools who have not participated in the Play Partner Program for 2 years
5. Other schools who can prove a need for financial help with school field trips

Evaluation

If you are approved for funding, teachers will be required to fill out a survey after their class has attended the field trip. These surveys not only give us valuable feedback about the impact our shows have on your students, but also lets us know how the program is working. The data we collect helps us to share measurable outcomes with our funders, but we'd also like to learn about your student's experience in a more subjective way. We would appreciate receiving letters or drawings from them, telling us about their field trip in their own words. We read all of the letters, and share many of them with the casts of the shows, Playhouse staff, and City leadership, in addition to the Play Partner Program funders.
