Chart Topping Female Vocal Trio Wilson Phillips Sell Out One Night Only Performance at the Lewis Family Playhouse, January 7th!

FOR IMMEDIATE RELEASE

December 21, 2016

Rancho Cucamonga, California – Wilson Phillips, one of the top selling female groups in music history, bring their talents to the Lewis Family Playhouse stage Saturday, January 7th at 8:00 p.m., for a one night only sold-out concert. The singing trio brings an evening of nostalgia to Rancho Cucamonga as they perform a number of their own chart topping hits, as well as pay tribute to music legends, The Beach Boys and The Mamas and Papas.

During this one night only performance, **Wilson Phillips** will be celebrating 25 years as recording artists, which calls for a night of very special performances. Be there as fan favorites such as *Hold On*, *Release Me*, *You're in Love*, as well as music from **Wilson Phillips'** latest album, *Dedicated* are performed to pay tribute to the legendary groups their parents belonged to. *Dedicated*, being made up of classic songs like *Good Vibrations* and *California Dreamin* by The Beach Boys and The Mamas and Papas, honors the groups of whom **Wilson Phillips** couldn't have come to reach their success without. A night such as this only comes so often, and will be jam packed with moments ticket holders won't want to miss.

With careers that originated from modeling and acting before beginning their chart topping music careers in the 1990s, the women of **Wilson Phillips** were destined for greatness. Each member of the group had an early musical background of their own, as Carnie and Wendy Wilson are the daughters of Brian Wilson, bandleader of The Beach Boys, and Chynna Phillips is Daughter of John and Michelle Phillips from the folk rock band, The Mamas and Papas. The three girls were introduced through the making of a charity record created solely by children of famous musicians. After the record was finished, the women of **Wilson Phillips** stuck together to live out the musical career they're known for today. With the influence of their parents, **Wilson Phillips** turned out to be the chart topping group they are today, and are able to celebrate 25 years of recording.
